Great time

We had a great stay in this beautiful condo! everything was up to date and we especially liked the ice maker at the wet bar! The room was clean and everything was nice. We had the maid come in one day to tidy up and she was great! Maggie and Clint were great! Maggie helped us thru the check in process and Clint touched base to make sure our stay was great! overall a very nice vacation at a great resort and condo! Thanks Jeff

Great Experience

This is the third year we have stayed at the Casa Expedition for a long term stay of 8 weeks. We have booked again for next year. We love all of the amenities of this particular condo and the elaborate appointments which make it feel like our home away from home. Any problems that we did have were quickly and courteously resolved by Clint, Maggie and Eric. This is a great accommodation and we look forward to our stay in 2017.

great condo!

This was a lovely, newly remodeled condo. It was perfect for my family of 5. Very clean and kitchen was stocked with all cookware we needed to have meals in the room. It is on the 4th floor but there is an elevator for easy access. The complex is nice and secure. There is a 24 hour security guard on the property. The location is a short walk to the beach and also the mall. The property supervisors are quick to respond to any concerns. Can't wait to go back!

Perfect condo in a beautiful location

Gorgeously remodeled condo with all the extras to give us the perfect vacation next to the beach. From booking the condo to checking in and throughout our stay, we were taken care of and felt comfortable about every aspect of our vacation. We appreciated communication with the on-site managers and Maggie was very helpful with all parts of our stay including booking transportation from the airport. We enjoyed relaxing in the beautiful condo terrace overlooking the pool and Oasis restaurant. Just steps away from the best beach in Cabo as well!

A 403 is very modern and fresh. very clean and spacious . The grounds are awesome and pool we loved the best. The beach is very close as is shopping and the mall and town . Lovely Condo! Great Resort!

The condo was clean and nicely furnished. Plenty of space for us and the kids. The kids loved the pool area and the clubhouse. We loved being within walking distance of the beach and the downtown area of Cabo San Lucas. We really appreciated that we were offered a baby crib and highchair at no

additional cost. And it was a nice treat for my husband and I that there were a few complimentary beverages in the refrigerator when we arrived in the condo. First Class hospitality that's for sure!
Thank you!

Great time, great location.

Awesome, this beautiful condo is just a few blocks to everything! The price was right and the amenities are nice. I am not a resort type person, so this was my kind of place. The building has security guards, so I felt very safe, which is very important to me not just in Mexico, but the US also! The unit was recently remodeled, as a home furnishing retailer and interior designer, they did a beautiful job! Can't wait to stay here again, this will be our choice every time we visit Cabo!

Great first time in Cabo!

First trip to Cabo & loved it. We spent the first 3 nights of our vacation here & the next 7 days at a all inclusive resort. Wish we had spent the whole trip here! The condo is beautifully decorated, and has everything we needed and more. Loved the outdoor kitchen. We stayed here with our son and his girlfriend and there was lots of space. Conveniently located close to the beach and marina. Already booked our next trip to stay here. Highly recommend it! Clint & his team were so helpful arranging transportation & answering any questions we had.
